The diagram consists of two class boxes. The top box, 'IExperimentCuts< SpacePoint >', is white with a thin black border and is divided into three horizontal sections. The bottom box, 'Acts::ATLASCuts< SpacePoint >', is gray with a thick black border and is divided into three horizontal sections. The top section of the gray box contains the class name. The middle section is empty. The bottom section contains three method names, each preceded by a '+' sign. A blue arrow with an open triangular head points from the top of the gray box to the bottom of the white box, indicating inheritance.
